ACTIVE FAITH IMPLEMENTING RELIEF in the EPIDEMIC

**APRIL 23, 2018**

**7:00 ~ 9:00 PM**

This sequel to the *"We Thirst: Christian Reflections on Addiction"* series is an educational and contemplative evening that will suggest and inspire specific community action plans.

We will recall our Christian identity as "a people" afire with the Spirit of love, with a mission to serve the least of our brothers. We will consider tangible ways to put that Spirit and mission into action in the midst of the addiction epidemic.

This free two-hour evening includes a short presentation on *"A People Afire"*. Small and large group discussions and brainstorming will follow, and group formation with specific action plans will be encouraged.
