FIFTH SUNDAY OF LENT

Reflection by Rev. Leonard N. Peterson

"CGI." For movie makers and fans, the letters stand for "Computer Generated Imagery." That encompasses those special visual effects created using computer software. For example, those vast crowds or great armies need not be made of paid "extras" any more. Besides movies, this process is used to contribute also to images in art, printed media, video games, TV programs, shorts, commercials, videos, and simulators. "The evolution of CGI led to the emergence of virtual cinematography in the 1990s where runs of the simulated camera are not constrained by the laws of physics."

I want to point out that along with the cost benefits of this technology comes a distrust of what we see via all kinds of screens which aligns with the abundance of lies all around us in the real world.

All this is the cultural context in which we ponder the ancient gospel story of the raising of Lazarus. It was up 'til then the most stupendous miracle Our Lord Jesus worked. But even the Gospels, the very literal Word of God, can become suspect in the cynical air in which we breathe these days. It is good to recall some facts included in this episode by St. John to convince anyone with an open mind of the truth of what he writes. Long long before there was CGI.

First we note how Jesus orders a time lag between the death of Lazarus and His arrival at the tomb, so that there can be no mistake that Lazarus was indeed dead and buried. "Lazarus was not in a coma. He had been dead for a long enough time (four days) that the rabbinic authorities would have said that the soul had left the vicinity of the body and decay would have definitely set in." We have all seen enough cops and criminals movies and TV shows to know how awful the stink of decay must be as the characters react to it. Practical St. Martha had told Jesus "There will be a bad smell Lord. He has been buried four days."

Secondly, we find Jesus "glad" of the death for His disciples' sake because this will provide a motive for the disciples' belief in Him.

Thirdly, the purpose of the miracle was to make "the glory of God the Father" manifest so that the people will believe Jesus was sent by Him." In other words, Jesus did not do this for the sake of His own glory and fame.

All through Lent we have had much encouragement as believers. Early on we had the Transfiguration; then His interaction with a Samaritan woman at the well; the healing of a man born blind. And now this incomparable raising of a dead man to life. As a result, we know for sure that our faith in Christ is not in vain. We follow the most honest Person who ever walked on this planet. Lenten penance and prayer help to make our amends for having offended Him by our sins.

Yes at times all of us have moments of doubt. Especially when life presents us with unwelcome surprises and crises. But then it is that we can help ourselves by remembering the father of that boy who had been possessed and who brought his son to Jesus. When Jesus extolled his faith, the same father responded, "Lord, I believe. Help my unbelief." As a weak man myself, it's one of my favorite prayers.

From the Pastor

Private Masses - For the first time in my priesthood I have been celebrating Mass in private every day without a congregation. The Mass by its very nature is social; it is an act of worship by the Body of Christ with the priest serving in the place of Christ the Head of the Body. Even without a congregation physically present, the Mass is offered by the priest in union with the people of God. The Mass benefits not only the priest, but has a cosmic effect. The saving power of Christ's death and resurrection is made present for us through the celebration of the Mass, and that power of Christ's grace goes out to all the world. So, although I am celebrating Mass privately, I am very aware of its public effects. Its saving power goes out to all the people of our Parish and indeed to all the world. God is still with us and he is most powerfully present through the celebration of the Eucharist. At every Mass I am thinking of all of you and extending to you God's grace and life. Even in this time when you cannot attend public Mass, be aware of the power of the Eucharist, open your heart to the Lord's grace. Try to view a Mass on Sunday to heighten your awareness and experience of the Eucharist's power, make a prayer of spiritual communion, and continue to pray, read and learn about the Lord and his gifts of faith, hope and love that come to us through the Church.

Act of Spiritual Communion

When we are unable to attend Mass in person, the Church encourages us to make an act of spiritual communion. I have included one here for your benefit:

My Jesus, I believe that Thou art present in the Blessed Sacrament. I love Thee above all things, and I desire Thee in my soul. Since I cannot now receive Thee sacramentally, come spiritually into my heart with the healing power of your saving presence. I welcome you with great joy and ask that you fill me with your life and peace. Filled with your grace, may my whole being radiate the light of your goodness.

FORMED – With our out of home activities being curtailed, there are many opportunities online for spiritual growth and faith formation. The Parish has a subscription to **FORMED**, an online service that carries many excellent resources on our Catholic faith. Because of our subscription, you are able to access the resources for free. Our parish code is WRVZND. Go to <https://formed.org>. When you click on "Sign Up," you should see the registration box for parishioners. Type in the parish code. Now set up a username and a password. Then you are all set to use all the great programs on FORMED.org anytime by simply logging in.

Catholic Charities Appeal – Please consider a donation to the Catholic Charities Appeal 2020. To date, 56 of our parishioners have given a total of \$13,975 toward our goal of \$84,835. We are grateful for their generosity. Your contribution will support many programs for the needy and for the spread of the gospel in the Archdiocese.

Saint Margaret School - I want to express my sincere gratitude to Mrs. Johnston and all our staff and faculty at St. Margaret School for their dedication in making the necessary adjustments to transition our students to at-home learning. Several parents have commented to me how impressed they have been with the way such a fast transition has happened and how the students have been so well supported in continuing their learning in a new way.

Church Teaching: The Power of the Eucharist – As bodily nourishment restores lost strength, so the Eucharist strengthens our charity, which tends to be weakened in daily life; and this living charity wipes away venial sins. By giving himself to us Christ revives our love and enables us to break our disordered attachments to creatures and root ourselves in him....There is no surer pledge or clearer sign of this great hope in the new heavens and new earth in which righteousness dwells, than the Eucharist. Every time this mystery is celebrated, the work of our redemption is carried on and we break the one bread that provides the medicine of immortality, the antidote for death, and the food that makes us live forever in Jesus Christ. (from the Catechism of the Catholic Church)

Spiritual Thought – How loving and gentle Jesus is with humankind, and especially with poor sinners whom he came upon earth to seek out in a visible manner, and whom he still seeks in an invisible manner every day. (St. Louis de Montfort)

A Little Humor – Proud Irishman: I did some research, and it turns out I'm super Irish. Even my blood type is O apostrophe. (Brian Kiley, comedian)

HELPING OTHER PEOPLE IN EMERGENCY
Suspended until further notice.

Lankenau Ministry is suspended until further notice. On March 17, 2020, Archbishop Pérez stated, **“In conjunction with directives already in force in hospitals and institutions, all visits to the sick with Holy Communion, including in private homes, by priests, deacons, and extraordinary ministers of Holy Communion are suspended. In such instances, only priests will be available to celebrate the Sacraments for those in immediate danger of death.”**

Archdiocese of Philadelphia **DO YOU KNOW YOUR TRIBUNAL?**

The Tribunal is available to help people who have experienced divorce and who may wish to remarry in the Catholic Church.

When a divorce occurs, the Catholic Church always seeks to balance two realities. One is the durable bond of marriage. This is God's law. On the other hand, the Church is concerned about the spiritual welfare of the people involved. Even though a Catholic marriage was celebrated, perhaps there was some deficiency in the consent of the parties involved regarding intentions, understanding or ability. The annulment procedure addresses these circumstances.

If you are divorced and want to marry in the Church, or remarried outside the Catholic Church, please find us on the web at archphila.org under the "How Do I" tab.

**FAST AND ABSTINENCE
AND OTHER ACTS OF PENANCE FOR LENT**

The Bishops of the United States prescribe, as minimal obligation, that all persons who are fourteen years of age and older are bound to abstain from eating meat on Ash Wednesday, February 26, 2020, on all the Fridays of Lent and Good Friday. Further, all persons eighteen years of age and older, up to and including their fifty-ninth birthday, are bound to fast by limiting themselves to a single full meal on Ash Wednesday and on Good Friday, while the other two meals on those days are to be light.

All the faithful are encouraged, when possible, to participate at Mass and to receive the Holy Eucharist daily, to celebrate frequently the Sacrament of Penance, to undertake spiritual reading, especially the study of the Sacred Scriptures, and to participate in parish Lenten devotions as well as Lenten education programs. Adoration of the Blessed Sacrament is especially recommended.

All are encouraged to participate in Operation Rice Bowl which has aided countless hungry persons here in the Archdiocese as well as throughout our nation and our world.
