Archdiocese of Philadelphia Risk and Insurance Program

“Minor motor vehicle violation” means any:

1. Motor vehicle violation other than a “major motor vehicle violation”;
2. Failure to respond suspension; or
3. At-fault accident.

Drivers with “minor motor vehicle violations” are either denied or approved. The decision is dependent upon the age and experience of the driver and number of “minor motor vehicle violations”.

The following chart sets forth the decision for “minor motor vehicle violations” occurring in the past three (3) years from the date of the application:

Age of Driver	Years Licensed in U.S. ¹	Passengers	Buses ²	Number of “Minor Motor Vehicle Violations”			
				0	1	2	3 or more
>=21	<3	No ³	N/A	Approve	Deny	Deny	Deny
	3-4	Yes	No	Approve	Approve	Deny	Deny
	>=5	Yes	Yes	Approve	Approve	Approve	Deny

- ¹ Foreign driving experience is not counted.
- ² Bus means motor vehicle originally designed to transport 16 or more passengers, including the driver.
- ³ This passenger restriction does not apply to the transportation of employees or adult volunteers unless stated otherwise by the Location.

Drivers approved to transport passengers or drivers age 75 or older are reevaluated every year. All other approved drivers are reevaluated every three years.

Notwithstanding the above reevaluation criteria, all drivers are reevaluated following disclosure or discovery of any motor vehicle violation or at-fault accident, even if occurring outside the scope of duties for or on behalf of the Location. The Archdiocese of Philadelphia Risk and Insurance Program reserves the right, at its sole discretion, to make at-fault determinations for accidents that occur while operating motor vehicles for or on behalf of the Location.
